

## News for the Commercial, Residential and Wastewater Trade

### ITT Showing Strong Presence at AHR 2011 Las Vegas

Once again it is that time of the year again for the annual AHR Expo. We are pleased to bring to you a special edition of the "HVAC & PLUMBING TRADE TALK" newsletter for January 2011. For the first time, AHR Expo will be traveling to Las Vegas. ITT will be making a BIG splash at this year's AHR Expo, displaying 10 new products, 12 in total including an AHR Innovation Award Winner. Read further to find information on some of the ITT products that will be proudly displayed at this years AHR Expo. Please join us at the ITT booth #C1519 at this years AHR Expo in Las Vegas, Nevada to help celebrate this event.
